Work with us

Keeping our systems safe and secure

We take care of our systems at TenneT, but despite our best effort, certain vulnerabilities or weak spots might exist. If you find a weak spot in our systems we hope to hear from you as soon as possible, so that we can take adequate measures. We would like to work with you to keep our systems safe and secure and prevent malicious attacks from happening. After all, without electricity

TenneT uses Cookies

We use cookies to ensure our website functions properly and to help us improve your experience. You can find more information about the cookies we use on our privacy page.

Accept necessary cookies →

Accept all cookies →

- Not to share this information with others, until the exploit has been fixed and all confidential data has been re-protected;
- To provide as much insight in the hack as possible;
- To provide contact information (anonymous also allowed);
- Inform us when going to publicity
- Not to use hacking techniques like:
    - Breaking and entering
    - Circumvent physical access restrictions
    - Social Engineering
    - (Distributed) Denial of Service
    - Spam
    - Third-party (malicious) applications

Our promise to you

We wil:

- Respond to your request in an adequate timeframe (within one work week);
- Not take legal actions when applying to the statements above;

TenneT uses Cookies

We use cookies to ensure our website functions properly and to help us improve your experience. You can find more information about the cookies we use on our privacy page.

Our privacy and data protection

- In public announcement made by us, you will have the right to be known as the person who detected it (and helped solving it);

We strive to fix our problems as soon as possible.
We want to be included in any publication concerning this vulnerability.
